

Are you looking for a Sunday school that your kids actually enjoy?

Imagine a Sunday school where kids are baking cookies, writing and acting in **SKITS**, performing **science experiments**, painting their own versions of Van Gogh's *Starry Night*, and creating **video** projects, all while learning about Jesus.

Now find it actually happening at the
First Congregational Church of Pembroke.

Beginning Sunday, September 7th, join us at 10:00 every Sunday morning for a powerful and exciting Workshop Rotation Sunday school.

What is the Workshop Rotation? It's a Sunday school model that

- engages kids by teaching the Bible through art, music, games, storytelling, cooking, science, computers, and video;
- deepens children's understanding of the Bible by spending more time on each Bible story;
- opens the experiences of the entire congregation for the students' benefit

JOIN US

Join us for breakfast on Sunday, September 7th, beginning at 9:00, and sign up for this exciting Sunday school at Pembroke Congregational Church, 301 Pembroke Street (that's Route 3, just north of Pembroke Academy).
